

BETTER LIFE CUSTOMIZATION I CHOOSE HOSET

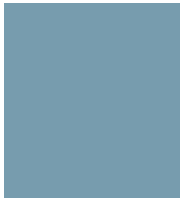

HOSET

HOMSET

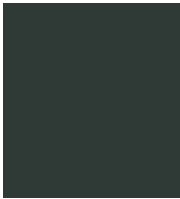

The company has an independent product R&D and design center, providing consumers with one-stop home furnishing overall solution design solutions. Since its establishment, it has always been consumer-centric, adhering to the craftsman spirit of market orientation, customer first, and manufacturing quality products, and delivering high-quality green home furnishing products to thousands of households. It is the first in the industry to create an intelligent ecosystem centered on "ERP management system", "CRM cloud data", "IPAD shopping guide system" and "3D panoramic design effect software", integrating sales, production, design and service, and establishing a rigorous and efficient modern scientific management system to achieve full digital management and production.
